

PUBLIC ANNOUNCEMENT

In accordance with Ohio Revised Code Section 153.68, the Pike County Engineer is soliciting prequalification statements from qualified design firms who desire to provide Professional Design Services for the Pike County Engineer in 2026.

The prequalification statements are to include information regarding the design firm's capabilities as required by Ohio Revised Code Section 153.65, D.

All statements are to include:

- 1.) Evidence of the firm's competency to perform professional design services as indicated by the technical training, education, and experience of the firm's personnel, especially the technical training, education, and experience of the employees within the firm who would be assigned to perform the services.
- 2.) Evidence of the firm's workload and the availability of qualified personnel, equipment, and facilities to perform the required professional design services, competently and expeditiously.
- 3.) Evidence of the firm's past performance as reflected by the evaluations of previous clients with respect to such factors as control of costs, quality of work, and meeting of deadlines.
- 4.) Any other relevant information which the design firm feels will prove the competence and capability of the firm and the firm's personnel.

All engineering firms desiring to perform work for the Pike County Engineer as provided for in Ohio Revised Code Section 153.71 are to submit the requested prequalification statements to:

John C. Slone, P.E., P.S.
Pike County Engineer
502 S. Pike Street
Waverly, Ohio 45690

Specific Ohio Department of Transportation prequalifications will be assigned on a project by project basis. Consultants selected for each project will be required to meet these prequalifications.

All responding engineering firms are hereby advised that contracts related to this solicitation may be subject to the terms of a standard agreement between Pike County and the Ohio Department of transportation entitled "LPA Federal ODOT-LET Project Agreement". All responding engineering firms are advised to be aware of Pike County's obligations under said agreement, and the regulations relative to nondiscrimination on the grounds of race, color, national origin, sex, age, or disability.

Prequalification statements are due prior to 11:30 a.m. on Wednesday December 31, 2025.
